## Dialogue 1

A: Hey did you do today's English homework?

B: Ah! I forgot! Mr. Smith is going to kill me!

A: Don't worry, it's pretty easy, you can probably finish it during lunch time.

B: Thank god. I'll talk to you after class.

A: Later.

A: Hey man, what's up?

B: Nothing, just doing some homework. What's up with you?

A: Waiting for my mom to pick me up.

B: Alright, what are you doing tonight, want to hang out?

A: Nah, I have to write an essay for English class.

B: Ok, well, let's do something this weekend.

A: Cool, give me a call on Friday.

B: Talk to you then.

A: Peace.
